100+ Women Who Care Oswego, Montgomery, and Yorkville,

This letter is to express the sincere appreciation of Suicide Prevention Services for your **donation of $100.00 issued on April 5, 2023**. This donation is most gratefully accepted and will be used for programs and services aimed at preventing suicide in our communities.

Each year, 48,000 people in the United States die by suicide compared to 24,500 deaths by homicide and 10,500 deaths by drunk driving. This figure, unfortunately, is rising and our organization has made great strides in addressing this public health problem through massive education, advocacy, and collaboration with health care providers to intervene with high-risk individuals more effectively.

Your donation is fully tax deductible because Suicide Prevention Services is a 501 (C) 3 organization. The tax exemption identification number is E9944-2930-01. No goods or services were provided in return for this monetary gift.

Once again, thank you for donating to Suicide Prevention Services. It is through the support of individuals like you that we are able to continue facing the challenge of ending this preventable tragedy. Should you have any questions or need further assistance in the future, please feel free to contact our office or visit our website at www.spsamerica.org .

Sincerely,

Stephanie Weber, MS, LCPC
Executive Director

Our mission is to open minds, save lives, and restore hope through prevention, intervention, and postvention, using education, advocacy and collaboration.
