June 2023

Dear Member,

Thank you to 100+ Women Who Care, Oswego, Montgomery, Yorkville for your most wonderful **gift of $100 to the Oswegoland Senior and Community Center**. Your collective donation of $10,300 will be used to support new building improvements and additional operational expenses that are being incurred with the securing of the Oswegland Senior and Community Center building. Our most recent improvements were for a ramp to our back entrance, automatic doors and repaved parking lot. We are excited to continue improvements to our permanent home that will offer many new programming opportunities to our community.

We truly appreciate your support. Our mission is: *To promote the well-being of our Senior Community- improve their quality of life and extend independent living – by fully integrating the whole community.*

Oswegoland Seniors, Inc is a 501c3 non-profit organization. Contributions to us are tax deductible as allowed by law. We appreciate your donation and hope you will consider giving to us again in the future.

Warm Regards,

Diane Beukelman
OSCC Outreach Coordinator
